BIRDIE GOES TO WASHINGTON

This committee meets annually and serves as an advisor to the National Library Service. It represents consumers, network libraries, and repair groups. ## SUPPORT YOUR DV's

Descriptive Video Service (DVS) needs your opinions about descriptive videos to be used to convince copyright holders to allow their titles to be produced in DVS. It's important that they receive your input so more movies will be available through DVS. Send letters to Laurie Everett, DVS Home Video, WGBH Educational Foundation, 125 Western Avenue, Boston, MA 02134.

You may purchase descriptive videos directly from DVS. To request a catalog or place an order, call DVS at 1-800-333-1203.

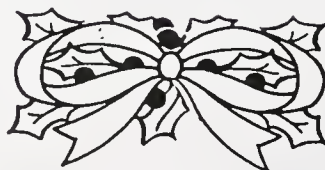

## NEW MAGAZINES

The magazine Idaho Wildlife is now available on cassette and can be borrowed from the Montana Talking Book Library. Also, don't forget about Falcon, our Montana produced children's wildlife magazine.
